NEVER FAILING REMEDY!!!

HOLLOWAY'S OINTMENT.

A CRIPPLE SETS ASIDE HIS CRUTCHES AFTER TEN YEARS SUFFERING.
Copy of a Letter from Mr. Thompson, Chemist, Liverpool, dated August 20th, 1852.

To Professor HOLLOWAY,

DEAR SIR—I am enabled to furnish you with a most extraordinary cure effected by your invaluable Ointment and Pills; which has astonished every person acquainted with the sufferer. About 10 years ago, Mr. W. Cummins, of Saltney Street, in this town, was thrown from his horse, whereby he received very serious injuries; he had the best medical advice at the time, and was afterwards an intimate of different physicians, yet he grew worse, and at last a malignant running ulcer settled in his hip, which so completely crippled him, that he could not move without crutches for nearly 10 years; recently he began to use your Ointment and Pills, which have now healed the wound, strengthened his limb, and enabled him to dispense with his crutches, so that he can walk with the greatest ease, and with renewed health and vigour.

A MOST EXTRAORDINARY CURE OF A DREADFUL SKIN DISEASE WHEN ALL MEDICAL AID HAD FAILED.

Copy of a Letter from Mr. Hurd, Draper, of Keady, near Gainsborough, dated March 1st, 1852.

To professor HOLLOWAY,

Sir—Some time since, one of my children was afflicted with dreadful eruptions over the body and limbs. I obtained the advice of several eminent Surgeons and Physicians, by all of whom the case was considered hopeless. At length I tried your Ointment and Pills, and without exaggeration, the effect was miraculous; for by persevering in their use, all the eruptions quickly disappeared, and the child was restored to perfect health.

I present this similar complaint, and I firmly believe, that in her case adopted your medicines she would have been saved also. I shall be happy to certify the truth of this to any enquirer.

CERTAIN REMEDY FOR SCORBUTIC HUMORS

—AND AN ASTONISHING CURE OF AN OLD LADY SEVENTY YEARS OF AGE

OF A BAD LEG.

Copy of a Letter from Messrs. Walker and Co., Chemists, bath.

To Professor HOLLOWAY,

DEAR SIR.—Among the numerous cures effected by the use of your valuable medicines in the neighborhood, we may mention that of an old lady living in the Village of Preston, about five miles from this City. She had ulcerated wounds in her leg for many years, and latterly increased to such an alarming extent as to defy all the usual remedies; her health rapidly giving way under the suffering she endured. In this distressing condition she had recourse to your Ointment and Pills, and by the assistance of her friends, was enabled to persevere in their use, until she received a perfect cure. We have ourselves been greatly astonished at the effect upon so old a person, she being above 70 years of age. We shall be happy to satisfy any enquiries as to the authenticity of this really wonderful case, either personally or by letter.

A private in the Bath Police Force, also, has been perfectly cured of an old scrofulous affection in the face, after all other means had failed. He states that it is entirely by the use of your Ointment, and speaks loudly in its praise.

We remain, Dear Sir,

Yours, faithfully,

April 8th, 1852. (Signed) WALKER & CO.

P. T. BARNUM,

Proprietor of the American Museum, New York, has the honor to announce, that encouraged by the brilliant success which has attended all his various efforts for the amusement of the public, he has been led to term the project of organizing a vast traveling

MUSEUM OF WONDERS.

Which comprises a greater variety of Attractions, and more extraordinary Novelties, than any traveling exhibition in the world. Every feature of this Mammoth Establishment is of a peculiar and interesting character, and the whole is produced upon a gigantic scale of magnitude. The traveling paraphernalia of the American Museum, as it enters each town, is produced by the gorgeous **CHAR OF JUGGERNAUT**, drawn by Ten Elephants, superbly caparisoned, being an accurate model of that terrible engine of insolent sacerdote, finned and decorated in all the extravagances of the Hindoo style. Following this monster vehicle, is a long procession of costly Cages and Carriages, the whole forming a spectacle of taste and Oriental splendor. The Exhibition will take place within a magnificent Variegated Pavilion, composed of American Flag, of water-proof fabric. The real, genuine, original

General Tom Thumb

Is attached to this Exhibition, and will appear in all his performances as given before the principal crowned heads of Europe, including Songs, Dances, Grecian Statues and his admired personations of Napoleon and Frederick the Great. The little General is twenty-one years of age, weighs only fifteen pounds, and is but twenty-eight inches high. Also engaged

Mr. Nellis,

The man without arms, who will execute his extraordinary feats of loading and firing a pistol with his toes; cutting profile likenesses; shooting at a mark with a bow and arrow; playing upon the Accordion and Violin, etc. Mr. Nellis, in these performances, exhibits a wonderful example of what incomparable energy and industry can accomplish, even when laboring under disadvantages apparently the most insurmountable.

A complete Menagerie of

Living Wild Animals.

Is also included in the American Museum, and at a convenient period during the Exhibition

M. R. PIERCE

Will enter the Dens of the Wild Beasts, and give his classical illustrations of Hercules struggling with the Nemean Lion; Daniel in the Lion's Den; Sampson destroying the Lion, &c. One of the most interesting portions of the exhibition is formed by the display of a great collection of

WAX STATUARY.

Including figures of the size of life, of all the Presidents of the United States, and also of a great number of the noted characters, American and Foreign, all of which are accurate likenesses, and appropriately costumed. In fact, the whole Establishment is a vast repository of

WONDERFUL OBJECTS OF NATURE AND ART.

The full particulars of which it would be impossible to give within the limits of a newspaper advertisement, and which has been brought together at an enormous expenditure of means, forming the largest and most novel traveling Exhibition in this or any other country.

A fine Military Band will perform the most popular airs of the day, as the procession enters town, and also during the hours of Exhibition.

NEW GROCERY.

AT the old stand, the Baltimore Store, nearly opposite the City Hotel, where may be found a good assortment of groceries of fine quality, as cheap as the cheapest. And when they can be had, butter, eggs, lard, soap, bacon, &c., for all of which the highest market price is paid. Will be paid, and sold as low as at any other house in the city. I respectfully ask my friends and the public generally to call and see me before purchasing elsewhere.

which gradually extended over her whole body. The character of the disease was so violent that we despaired of saving her, and dreaded the loss of her foot. She had scales over her entire head; and after using tar caps, and taking 8 or 10 bottles of Sulphur's Panacea, and a great quantity of Syrup of Sarsaparilla, some one directed James Webster to me. He was confident of the success of the Extract of Beech Drop, and I used it. In three weeks her sores were all healed; and her head, so horrible to the sight, was soon dried up. She is married now, and blessed with a healthy family; and has not had the least return of her disease since.
